

WIDE SLAT VENETIAN BLINDS

Bay Blinds

## MATERIALS

### COMPONENTS

Robust, top quality steel headrails provide the foundation for wide slat venetian blinds. Moving parts are manufactured from engineering grade plastics which need no lubrication for the life of the blind.

### SLATS

Choose from textured faux wood **CREATION** 50 or 63mm slats, strong aluminium **CLASSIC** 50mm slats, or light and durable **WOOD** 46mm slats.

## WIDE SLAT VENETIAN BLINDS

Robust, practical and contemporary, these substantial blinds will make a smart and sophisticated addition to any home.

**CREATION** venetian blinds offer a harmonious blend of practicality and design, combined with robust materials with incredible style. The waterproof textured slats allow you to create a smart and elegant look in any room.

**WOOD** venetian blinds give your home a beautiful, organic feel, providing richness and depth to your decor. Some of the oldest venetian blinds still in existence are made from wood.

**CLASSIC** venetian blinds are strong, robust and stylish. With quality 50mm aluminium slats, matching cords and robust working parts and you get a superior blind at an incredible price.

## OPTIONS

### MOTORISED OPERATION

Wide slat venetian blinds can be fully motorised for both tilting and lifting.

### SLOPING TOP OR BOTTOM

Sloping windows can be accommodated with all types of wide slat venetian blinds.

### WAND OR CORD TILTING

Standard cord operated slat tilting, or optional wand operated tilting.
